

## A Postcard

8<sup>th</sup> April, 2016

Dear Alan,

How are you? I'm fine. I went to Ocean Park today.

In the morning, I woke up at 7 o'clock. I had sausages and eggs for breakfast. The weather was sunny and hot. It was perfect to go to Ocean Park. I went there with my grandparents, parents and my younger sister. We went there by tunnel bus.

In the afternoon, we had lunch at the food court. We ate fish, rice with beef, sausages and drank apple juice. It was yummy. I want to eat it every day! After lunch, we saw the panda in the zoo. It was very lazy because it just stayed there and ate lots of food. After that, I watched the dolphin show. It was fantastic. The dolphins were so smart! I took a ride on the roller coaster. It was amazing, but my sister didn't take the ride because she was scared!

In the evening, I bought souvenirs for friends like you. I feel excited for our next trip.

I bought you a watch. I hope you will like it.

See you soon!

Love  
Julianne
