Subject: A Trip to Hong Kong

Hi Jason,

How are you? I have planned a three-day trip for you.

On the first day, you can go to Ocean Park. You can go there by MTR. You can watch the dolphin show and look at the pandas. The animals are cute. You can also play on many rides. They are fun.

On the second day, you can go to the Peak. You can ride on the Peak tram to go there. You can look at the view of Hong Kong. It is very beautiful. You can also take photos of the wax figures at the wax museum. They look so real.

On the third day, you can go to Lantau Island. You can go there by ferry. You can visit the Big Buddha. Then you can ride on Ngong Ping 360 cable car. You can visit Ngong Ping Village. You can see lots of special things there.

Do you like my suggestions? I can be your tour guide when you visit Hong Kong.

Yours,

Gailey
