In the Country Park

On Saturday, my family and I go to Sai Kung Country Park. In the morning, I brush my teeth, have my breakfast and change my clothes. We take a taxi to Sai Kung Country Park. At nine o'clock in the morning, we arrive at Sai Kung Country Park. We play football and play on the slides that. After that, we go to the woods to see the monkeys.

Suddenly, a monkey jumps down from a tree and takes my hat. I am very angry so I jump up and down, shouting. I tell my father about it. My father climbs up the tree and helps me to get my hat back.

I feel very thankful to my father because he helps me to get back my hat. I have a wonderful day!
