My family

There are four members in my family. They are my father, mother, big sister and me.

My father is tall and strong. He wears glasses and has short hair. He is hardworking. He likes taking photos. He likes eating ice-cream and pizza. I like to chat with Daddy. My mother is a housewife. She is tall and thin. She has freckles and short hair. She is strict but nice. She likes shopping. She likes eating crabs and Shanghainese food. I like to study with her. My sister is tall and thin. She wears glasses but she is beautiful. She is silly. She likes to play with me. She likes to eat chicken wings and chocolate cake. I like to go swimming with her.

I like to swim with my family at weekends. I love my family because they take me to fun places.
