

My Favourite Restaurant

By Charmaine Lam (1B)

My favourite restaurant is Tam Jai Spicy Restaurant. It is in Whampoa. I think it is big and beautiful.

In the restaurant, I can see some waiters, waitresses, a hot cooking pot and a lot of chairs. I can also see some tables. They are brown in colour. I can hear someone shouting 'Take away'. I can also hear some customers saying 'It's too spicy!' There is a lot of food in the restaurant. As for me, I always smell some rice noodles with tomato soup. Therefore, the restaurant is full of the smell of tomato soup. I like to eat rice noodles and drink cola in the restaurant. I think the rice noodles are delicious and the cola is amazing. I can eat rice noodles and order food there. After enjoying all the food, I need to pay for it.

I like Tam Jai Spicy Restaurant because I like to eat yummy rice noodles and they are tasty. Moreover, the restaurant is beautiful. I hope I can go to the restaurant again and get presents from it.
